

Business Grade SIP Trunking

Critical Information Summary

Information about the service

Here's a quick summary of all the important parts about your plan. It covers things like how much you need to pay each month.

You will need an Internet connection to access this service and may need extra hardware depending on your requirements e.g. router and switches.

We recommend that the service be accessed with hardware supplied or approved by us, using an NBN broadband connection or fibre service supplied by us to our specifications.

What's Included and Excluded?

Your SIP trunk plan per channel will incur a set-up fee and monthly access fee. Set up fees vary according to contract duration. For more information see www.commschoice.com.

No equipment is included in this plan.

Additional charges apply for calls not included in your plan.

Equipment

An IP telephone handset (or soft phone) is required in order to use this plan. This is not included in the plan. We recommend purchasing an approved IP handset from CommsChoice. This will be supplied pre-configured which will allow it to be managed remotely. If you choose to use an unapproved IP handset, it is not possible to guarantee quality of service.
